

## Learning With Public Purpose Project Planning Guide

Project Title: \_\_\_\_\_ Project Leader(s): \_\_\_\_\_

Grade Level(s) \_\_\_\_\_ School Name: \_\_\_\_\_ School District: \_\_\_\_\_

Content Areas: \_\_\_ Science \_\_\_ Arts \_\_\_ Math \_\_\_ Technology \_\_\_ Foreign Language \_\_\_ Social Studies \_\_\_\_\_ Other

1. **Project Objective(s):**

2. **Project Description:** Include in your description answers to the following questions: What is the scope of the project; that is, how many teachers, students, and community members do you expect to be involved? Who are your community partners and how are they involved in planning and implementation?

3. **Community Connection:** How is the project connected to the unique identity of your place (e.g., culture, economy, infrastructure, natural resources)? What makes this a community development project? What specific community need will it address?

4. **Essential Question:** What is the project theme that will guide the work of students and community partners?

**5. Student Learning Outcomes and Standards:**

<b>Learning Outcomes:</b> What will students know and be able to do as a result of this project?	<b>Standards Addressed:</b> Which learning results or benchmarks do these outcomes address?	<b>Assessment:</b> How will you assess each student learning outcome?
1.		
2.		
3.		
4.		
5.		

**6. Community Outcomes:**

<b>Community Outcomes:</b> What will change in the community as a result of this project: e.g., new resources, new partnerships between school and community, new services or products?	<b>Assessment:</b> How will you document and assess community outcomes and support?
1.	
2.	
3.	
4.	

**7. Major Activities and Timeline:**

<b>Major Activities:</b> What major project activities will be used to accomplish stated student learning and community outcomes?	<b>Timeline:</b> When will these activities happen?
1.	
2.	
3.	
4.	
5.	

**8. Who will be involved in assessing student learning and community outcomes?**

**9. How are students involved in assessment?**

<b>10. Literacy Acquisition:</b>	
<b>Goals:</b> What specific literacy goals will the project address?	<b>Strategies:</b> What literacy strategies will the project employ?

---

**11. Technology:** What technology tools will the project employ? How will that technology be used to enhance learning and improve on the community issue(s) the project is addressing?

**12. Documentation and Celebration:** How will you celebrate the project and document its impact on you as a teacher and on students, the school, and the community?

**13. Project Budget:**

**Please attach any lesson plans to this guide.**
